HAGIO NAYU (27) HIGH SCHOOL CLASSMATE. NOVELIST.
Thanks for coming over to see me, hime! ♡
It's been ages since I've last heard from you.
And you suddenly asked me on L*NE that you'll "Come to pick you up"...
Are you joking with me?
Ahaha, sorry ♡

But it sure has been a while!
Been 3 months, right...
How's your novel job coming along?
Eh?
I'm not writing right now
I'm living off my savings at the moment.
Are you serious?
いえーい
Ohhhhhhh-hh, this feels so good~
ゴシゴシ
Are you a geezer?
ひくひく
I see..
Freelancers are scary...
Does she not worry about her future?
Let's order some beer!
Ah, I'll have sake ♡

Cheers!
Well, for now...
グーッ

DELI-CIOUS!!!
UAA AAH HHH!

A dessert?!
I'll just order something...
What do you want, Nayu?
Grand Menu
ガブっ
You can't cook either...
Oh yeah...
You started living alone last year, right? What do you about your meals?
Fufufu...
I've been eating well, despite my appearance!

MEN'S ROTATION!
WHAT'S MORE, IT'S A JAPANESE, EUROPEAN AND CHINESE CUISINE ROTATION!!!
ドヤァ！
What's more, they treat her meals?!
She's not dating, but she has 3 men under her?!
Is it that plastic bag...?
Huh... what does she mean by that?
Huh?
I eat the things that you hang on the door knob!
Ah, and, and...

Some-times,
I don't know why...
Those grandpas from the grocery store give me stuff too.
This girl!!!
But I can't cook, so it usually goes to waste...
You should eat it... they were given to you, you know.
For some reason or another, she always attracts guys.
キラッ
It's painful to look at, because I work so hard every day to feed myself...
Ah, Hime. Do you eat shime?
ズーン
The fresh-water type, ya know~!
Well, yeah... then...
Can I have a small bowl of rice and...
Fried tofu, please~

コトッ
Thanks for the wait!
のせっ
Put the condiments back on and pour the broth over it...
くいっ
Break it into pieces and place them on the rice.
First, move aside the condiments on the tofu...
FRESHLY FRIED TOFU-DON!!
And it's done!

Nom
LET'S DIG IN!!!
Yeah yeah, I know, right
This is really delicious
Yummy
Wow, how cute
Though I'm already 27...
Don't say that...
Is it that unbearable?
Don't...
Well, you've always been a hime
Don't say that...

That was really nice...
Yeah...
I sure drank a lot.
Let's go to the next store!
Wear your jacket...
Hmm... where should we go next...
Ah...
Hime's place ♡
Ehhhhh... sure, but it's troublesome...

Leave it alone, it's my neighbour's pet.
I picked up a dog
It's messy here, you know?
Hime hime
I'm home!
This isn't your home, though.
Yeah, yeah...
Hurry up and prepare the snacks
DON'T TAKE OFF YOUR BRA!!

EXQUISITE!!

Ah!
Ehh... but I don't have plates in my house...
Plus, it's tiring to make it
YOU DON'T HAVE ANY PLATES?!
Yeah, this is good!
This is easy, so even you can make this, Nayu...
I can just ask my boy friends to make it for me♡
You should do that too, Hime!
I don't have...
Any boy friends!!
HUH ?!

ぐぬぬ…
Even if I did have boy friends, I wouldn't let them handle buying food and cooking for me in this day and age...
I wouldn't let them come here in the first place!!!
Food aside,
Isn't it bad...?
Like finding a job..
Ah, about that.
One of the short stories I wrote is being adapted into a movie.
もぐもぐ
ONCE YOU TURN 25, THE GAP IN LIFESTYLES STARTS TO EXPAND.
I see...
Ah.
So I'll be fine for a while now.♡
